2022 Lilly Scholarship Winner

Trinity Kelly, a senior from Carroll Jr./Sr. High School, is the Carroll County Community Foundation 2022 Lilly Endowment Community Scholar.

Trinity, daughter of Brandon Kelly and Amber Dowden, served on the student council, was on the girls' varsity Golf Team and volunteers locally with meal distribution, community beautification projects, and fundraising for a local fire department. An experienced equestrian, Trinity is active in FFA, local 4-H, Young Wranglers Horse and Pony Club, and the Battle Ground Saddle Club.

She plans to attend Indiana University-Purdue University Indianapolis and study political science.

"Lilly Endowment Community Scholarship applicants really exemplify the quality and abilities of Carroll County students," said Dr. Paul Manning, chairman of the Carroll County Community Foundation Services Committee. "The scholarship also encourages them to remain in Indiana and participate in the communities where they reside. The Endowment utilizes the Community Foundation to administer the program as a way to emphasize the value of education and to support Indiana's community foundations.

Each Lilly Endowment Community Scholarship provides for full tuition, required fees and a special allocation of up to \$900 per year for required books and required equipment for four years of undergraduate study on a full-time basis leading to a baccalaureate degree at any eligible Indiana public or private nonprofit college or university.

The Carroll County Community Foundation's criteria include academic achievement; school, community and work activities; potential for success; essay; financial need; and an interview. A committee of volunteers evaluated the applications and selected the four finalists who were interviewed by the Carroll County Community Foundation Services Committee. Twenty-two Carroll County students applied for the scholarship.
